

Head Nurse (RN) – Camp Runoia

We are seeking an RN to manage our camp health care for the summer season. Competitive salary, private accommodations, and an assistant make this an attractive summer opportunity for an experienced, organized person who enjoys working with children.

Camp Runoia, located on Great Pond in Belgrade Lakes, ME, serves 100 girls ages 8-15 each summer. For further information and an online application, please check out our website, www.runoia.com, or contact Alex Jackson: alexjackson@runoia.com
