

2022 New England Camp Conference

Session Proposal Information

Submission deadline: Friday, October 15, 2021

ACA, New England's 2022 New England Camp Conference will be March 24 – 26, 2022 in Manchester, NH for 800+ camp professionals from all experience levels throughout the six New England states. We look for sessions at all levels and covering a variety of topics to offer a balance to attendees.

We invite you to submit a proposal for a workshop session that will share new knowledge or a new perspective, address topics relevant to the camping industry today (and in the near-future), and enhance the work of camp professionals. All related expenses for conference registration and session preparation and delivery will be the responsibility of the presenter unless otherwise requested by the presenter and agreed upon with ACA, New England.

As you prepare to submit your proposal here's a snapshot of the info we are asking for, so you can be prepared when you complete [the proposal submission form](#).
