

# 2024 Leadership and Service Award

## - *Luke Joines* -

Luke is incredibly deserving of this award and an asset to any organization with which he works. He is always keen to fill his time with volunteering and networking outside of his normal 9 to 5 work duties, whether that be through the YMCA or ACA New England. He consistently goes above and beyond and has positively impacted so many of us in the camping industry through his involvement. Over the past five years, I have been lucky to call him both a colleague and a friend and from one Leadership & Service Award winner to another, congratulations! **-Stevie Faulk, Fernwood Cove**

Luke has asked me to let you know why I'm not surprised he has won the award. So- I'm not surprised he has won the "Leadership & Service Award" because of his ability and willingness to step up and lead. Whether it is in a committee or walking down the road, Luke leads the way and steps in to help when needed. **-Jeff Gleason, YMCA Camp of Maine**
