

Summer 2026 Bradley International Airport Parking Instructions for ACA, Accredited Camps

The following parking plan for the 2026 summer camp travel season has been approved for the American Camp Association, New England to assist with movements at Bradley Airport for Accredited Camps:

- Camps can park in the commercial vehicle holding lot adjacent to the terminal and accessible from Cargo Road with the ACA Parking Pass prominently displayed in the windshield.
- Vehicles may not be left unattended in the pickup or drop-off areas on either the arrival or departure levels, and unattended vehicles will be towed. **Only active loading or unloading is allowed.**
- Camp staff can request gate passes if they have a letter on camp stationary authorizing them for pick up or drop-off of specific campers; photo ID is also required; the request for a gate pass may or may not be granted at the discretion of the individual airline.
- Camps will remind camp families that only one carry-on bag and one personal item are allowed for each passenger. Backpacks are considered carry-on bags not personal items. Personal items would include a briefcase, purse, stuffed animal or something similar.
- Camps will remind camp families about what CAN and CAN NOT be carried on board. For example, hockey sticks, baseball bats, and golf clubs must now be checked. Camp families can check the latest travelers' tips and prohibited items at <http://tsatraveltips.us> or by calling TSA at 1-866-289-9673
- If there are any problems while at Bradley, the drivers can call Airport Operations at 860-627-3001
